AN ORDINANCE AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY ADDING SECTION 16.75-1 THERETO TO AUTHORIZE PRE-RETIREMENT AND SURVIVOR BENEFITS FOR FORMER SPOUSES UNDER CERTAIN CIRCUMSTANCES.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Chapter 16, San Francisco Administrative Code is hereby amended to read as follows:

NOTE: The Entire Section is New

Section 16.75-1 **Optional Modification of Benefits For Former Spouse.**

(a) If a domestic relations order requires a distribution to a former spouse after a member qualifies for retirement but before commencement of a member's pension, the retirement system may undertake such payments provided that such order conforms with the terms, conditions, and actuarial assumptions of the plan and provided further that the amount of any payments to be distributed to a former spouse plus interest shall be offset by either reductions in lump sum benefits or by an appropriate actuarial reduction of any allowance later payable to the member or a beneficiary.

(b) At the time of retirement or later, a member, or a retired member, may elect to receive the actuarial equivalent of his or her retirement allowance payable throughout his or her lifetime with the provision that:

During the member's lifetime, his or her lesser allowance shall be divided with a former spouse according to community property principles. Upon the member's death, the

0036D

community property portion, not to exceed 50% of the reduced allowance, shall be payable to the former spouse throughout his or her lifetime.

The same portion of the normal cost-of-living adjustments that are payable to the former spouse during the member's lifetime will continue to be payable after the member's death.

A member may make this election after the first payment of a retirement allowance upon a determination that it is a bona fide and equitable division of the community property interest in the retirement allowance.

(c) Nothing in this section shall be construed to obligate the retirement system to pay greater benefits than those otherwise payable by the terms of the plan. Any allowance otherwise payable to any other survivor may be reduced by the benefits authorized under this Section to the degree necessary to ensure that the Retirement System does not pay increased benefits.

Registered Nurse must work five (5) days a week, eighty (80) hours per payroll period, and must execute a document stating that the Registered Nurse is voluntarily participating in a flex-time program and waiving any rights he or she may have on the same subject contained in a memorandum of understanding.

Registered Nurses may voluntarily work ten (10) or twelve (12) hour shifts when authorized by the appointing officer, provided such ten (10) or twelve (12) hour shifts shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as provided all five-day, forty-hour-a-week employees, except, however, that ten (10) and twelve (12) hour shifts employees who actually work on a holiday shall receive full holiday compensation for the regularly-scheduled shift worked on a holiday. Said employees shall be entitled to overtime compensation for work only in excess of eighty (80) hours per payroll period and provided, further, that said employees shall accumulate compensatory time off at the rate of time and one-half (1-1/2) only for time worked in excess of eighty (80) and less than eighty-four (84) hours per payroll period. Nurses in the jails shall continue voluntarily working a schedule based upon ten (10) hour shifts. Nurses in Psychiatric Emergency Services working ten (10) hour shifts as of July 1, 1989 may voluntarily continue working ten (10) hour shifts; provided, however, that all ten (10) hour shift positions may at the option of the Department revert to eight (8) hour shifts upon attrition of current ten (10) hour shift incumbents.

Upon request of the union to any City department, the Board of Supervisors authorizes any department head, board or commission to meet and confer with the union on proposals offered by the union or the department relating to alternate scheduling of working hours for all or part of a department. Such proposals may include but are not limited to core-hour flex-time, full-time work weeks of less than five (5) days or a combination of plans which are mutually agreeable to the union and the department concerned. It is the intent of the Board that the work year shall continue to be two thousand eighty (2080) hours (2088 in leap years) and that overtime shall be earned on a daily and weekly

basis provided, however, the union and the affected department may mutually agree on cost equivalent alternative scheduling practices. Any such agreement shall be submitted in ordinance form to the Board of Supervisors for its approval or rejection.

III.A.2. A normal work week is a tour of duty on each of five consecutive days.

III.A.3. <u>Exceptions:</u>

III.A.3.(A). The 20-20 Education Program

III.A.3.(B). Specially funded training programs approved by the Civil Service Commission.

III.A.3.(C). Educational and training courses - regular permanent civil service employees may, on a voluntary basis with approval of appointing officer, work a forty hour week in six days when required in the interest of furthering the education and training of the employee.

III.A.3.(D). Employees shall receive no compensation when properly notified (2 hour notice) that work applicable to the classification is not available because of inclement weather conditions, shortage of supplies, traffic conditions or other unusual circumstances. Employees who are not properly notified and report to work and are informed no work applicable to the classification is available shall be paid for a minimum of two hours.

Employees who begin their shifts and are subsequently relieved of duty due to the above reasons shall be paid a minimum of four hours, and for hours actually worked beyond four hours, computed to the nearest one-quarter hour.

III.A.3.(E). <u>Special Educational Leave for Health Personnel.</u> Each full-time and regularly scheduled part-time nurse, excluding P-103 Per Diem Nurses, shall be allowed a maximum of forty (40) hours educational leave with pay per fiscal year or a pro rata share thereof to attend formally organized courses, institutes, work shops or classes which relate to nursing education or classes which relate to professional nursing development and education or are necessary to achieve the particular classification's recertification or relicensure,

It is the intent of the Board of Supervisors that leave pursuant to this paragraph shall be granted subject only to the reasonable staffing requirements of the departments and that in granting of such leave, preference shall be given to the employee having the earliest relicensure or recertification date.

III.A.3.(F). Voluntary Reduced Work Period for Public Health Nurses. Employees in classifications 2830 Public Health Nurse and 2832 Supervising Public Nurse may elect to participate for six month periods in a 5% basic biweekly salary reduction plan subject to the approval of the Community Public Health Services, Director of Nursing. Employees who elect this alternate pay plan shall receive 5% less salary on a biweekly basis and, in addition to other vacation, holiday, and sick leave benefits, shall receive 6-1/2 working days off with pay in one period, provided that if the employee is entitled to be paid for less than 40 hours per week for the six month period, he or she shall receive a pro rata portion of the 6-1/2 days.

If the employee resigns during the six month period, an adjustment shall be made in the final pay check for any portion of the 6-1/2 days off with pay received but to which the employee lost entitlement by reason of his or her resignation.

In enacting Section 1 of this ordinance, this Board of Supervisors finds and determines that the rates of pay were incorrectly identified in Ordinance No. 141-89 through inadvertence and that the corrections as herein provided reflect the intention of this Board in adopting the Salary Standardization Ordinance for July 1, 1989. Section 3 of this ordinance corrects Section XIV.C, Composite Schedule of Compensation Including Pay Equity. The corrections as herein provided reflect the intention of this Board in adopting the Salary Standardization Ordinance for July 1, 1989.

This tax shall be imposed for a maximum period of twenty (20) years.

SEC. 1407. PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the state or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

SEC. 1408. USE TAX AND RATE OF ONE-HALF OF ONE PERCENT. An excise tax is hereby imposed on the storage, use or other consumption in this District of tangible personal property purchases from any retailer on and after the operative date for storage, use

or other consumption in this District at the rate of one-half of one percent of the sales price of the property. The sales price shall include delivery when such charges are subject to state sales or use tax regardless of the place to which delivery is made. This tax shall be imposed for a maximum period of twenty (20) years.

SEC. 1409. ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 of Division 2 of the Revenue and Taxation Code (commencing with Section 6001) are hereby adopted and made a part of this ordinance as though fully set forth herein.

SEC. 1410. LIMITATIONS ON ADOPTION OF PROVISIONS OF STATE LAW AND COLLECTION OF USE TAXES. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, wherever the State of California is named or referred to as the taxing agency, the name of the Authority shall be substituted therefor. The substitution, however, shall not be made when the word "State" is used as part of the title of the State Controller, the State Treasurer, the State Board of Control, the State Board of Equalization, the State Treasury, or the Constitution of the State of California; the substitution would require action to be taken by or against the Authority or any agency, officer or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this ordinance; the substitution shall not be made in those sections, including, but not necessarily limited to, sections referring to the exterior boundaries of the State of California, where the result of

the substitution would be to provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remains subject to tax by the state under the said provisions of that code; the substitution shall not be made in sections 6701, 6702, (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code. The name of the District shall be substituted for the word "state" in the phrase "retailer engaged in business in this state" in Section 6203 and in the definition of that phrase in Section 6203.

SEC. 1411. PERMIT NOT REQUIRED. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

SEC. 1412. EXEMPTIONS, EXCLUSIONS AND CREDITS.

(a) There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

(b) There are exempted from the computation of the amount of transactions tax gross receipts when they are from:

1) Sales of tangible personal property to operators of aircraft to be used or consumed principally outside of the City and County of San Francisco and directly and exclusively in the use of such aircraft as common carriers of persons or property under the

authority of the laws of this state, the United States, or any foreign government.

2) Sales of property to be used outside the District which is shipped to a point outside the District, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the District shall be satisfied:

i) with respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Chapter 2 of Division 3.5 (commencing with Section 9850) of the Vehicle Code by registration to an out-of-District address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his principal place of residence.

ii) with respect to commercial vehicles by registration to a place of business out-of-District, and a declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3) the sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4) a lease of tangible personal property which is a continuing sale of such property for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.

5) for the purposes of subsections (4) and (5), the sale or lease of tangible personal property shall be deemed not to be

obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract upon notice, whether or not such right is exercised.

(c) There is exempted from the use tax imposed by this ordinance the storage, use or other consumption in this District of tangible personal property:

1) the gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2) purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire of compensation under a certificate of public convenience and necessity issued pursuant to the laws of this state, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3) if the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4) or the possession of, or the exercise of any right or power over, tangible personal property under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.

5) for the purposes of subsections (3) and (4), storage, use or other consumption, or possession, or exercise of any right to power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time

during which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6) Except as provided in subparagraph (7), a retailer engaged in business in the District shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the District or participates within the District in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the canvasser, solicitor, subsidiary, or person in the District under the authority of the retailer.

7) "A retailer engaged in business in the District" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Chapter 2 of Division 3.5 (commencing with Section 9850) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the District.

d) Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district or retailer imposing a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property, the storage, use or other consumption of which is subject to the use tax.

SEC. 1413. AUTHORIZATION AND LIMITATION ON ISSUANCE OF

BONDS. The Authority is hereby authorized to issue from time to time limited tax bonds pursuant to the provisions of California Public Utilities Code Sections 131109 et seq. in a total outstanding aggregate amount not to exceed $742,000,000.00.

SEC. 1414. USE OF PROCEEDS. The proceeds of the taxes imposed by this ordinance shall be used solely for the projects and purposes set forth in the County Transportation Expenditure Plan and for the administration thereof. In accordance with the legislative intent expressed in California Public Utilities Code Section 13110 such proceeds shall not replace funds previously provided by property tax revenues for public transportation purposes. Each year the tax is in effect and prior to the allocation of funds by the authority, the Controller of the City and County of San Francisco shall certify to the authority that the funds will not be substituted for property tax funds which are currently utilized to fund existing local transportation programs.

SEC. 1415. APPROPRIATIONS LIMIT.

For purposes of Article XIIIB of the State Constitution, the appropriations limit for the Authority for fiscal year 1989-90 and each year thereafter shall be $160,000,000.00 unless that amount should be amended pursuant to applicable law.

SEC. 1416. AMENDMENTS. All amendments to Part 1 of Division 2 of the Revenue and Taxation Code made subsequent to the effective date of this ordinance which relate to sales and use taxes and which are not inconsistent with Part 1.6 of Division 2 of the Revenue and Taxation Code and all amendments to Part 1.6 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 of

Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance; provided, however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

SEC. 1417. PENALTIES. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than five hundred dollars ($500.00) or by imprisonment for a period of not more than six months, or by both such fine and imprisonment.

SEC. 1418. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

[Commission on the Status of Women]

AMENDING SAN FRANCISCO ADMINISTRATIVE CODE ARTICLE 33, PERTAINING TO THE COMMISSION ON THE STATUS OF WOMEN; SUPPLEMENTING FINDINGS; REDUCING COMMISSION FROM ELEVEN TO SEVEN MEMBERS; ENLARGING POWERS AND DUTIES OF COMMISSION; DELETING DUPLICATIVE PROCEDURAL PROVISIONS; AMENDING ADMINISTRATIVE CODE ARTICLE 12A, SECTION 12A.4, TO TERMINATE SUPERVISION OF STAFF BY HUMAN RIGHTS COMMISSION; AND AMENDING ADMINISTRATIVE CODE ARTICLE 16.9, SECTION 16.9-25, PERTAINING TO REPORTS OF GENDER-BASED DISCRIMINATION RECEIVED BY CIVIL SERVICE COMMISSION.

NOTE: Additions are indicated by underscoring, deletions are indicated by ((double parentheses)).

Be it ordained by the People of the City and County of San Francisco:

Section 1. Chapter 33 of the San Francisco Administrative Code is hereby amended by amending Sections 33.1 through 33.4 to read as follows:

SEC. 33.1. FINDINGS.

(a) Because of tradition and prejudice, social, political, economic and educational restrictions on women through the years, women have been denied by virtue of their status as women, basic human rights resulting in inequities in economic, political, legal and social status. Despite obvious deprivations of opportunity to attain equality with men, women have made and continue to make substantial contributions in diverse areas of human activity and enterprise. Women have initiated movements for social and political emancipation, human welfare and world peace. The disadvantaged status of women is, however, inimical to the public welfare in that it prevents women from fully developing their individual potentials and from contributing fully to the cultural and economic life of the community. In view of the long tradition of according women an inferior status in society, nothing less than a concerted effort at the national, state and local levels will result in true equality of the sexes.

(b) Despite remedial legislation and increased public awareness of the disparity in the treatment of women in our society, women continue to be treated unequally, and in some respects their condition has worsened. Women in the workforce continue to earn, on average, less than men. The skills and abilities that women bring to job fields that have not historically been open to them remain underutilized. Women continue to perform only a small percentage of City contracts. Women continue to constitute a disproportionate percentage of the population earning the minimum wage and/or living in poverty. In addition, reported cases of domestic violence have risen dramatically. Domestic violence now accounts for approximately one quarter of assault arrests and homicides in San Francisco.

(c) There is a continued need for a governmental body to monitor the status of women, including the status and unique problems of women of color, homeless women, and low-income women, both within City and County government and in the private sector, to monitor complaints about unlawful and unequal treatment of women, to investigate inequalities, and to propose remedies.

It is the policy of the City and County of San Francisco that the Mayor, the Chief Administrative Officer, and all City and County commissions, boards and department heads shall consult with the Commission on matters relating to women.

The Mayor shall appoint all seven replacement commissioners at one time, at which point the term of office of the prior 11 members of the Commission shall terminate. Of the seven replacement members ((first)) appointed, ((three)) one shall serve for a term of ((one)) two years, ((four)) three shall serve for a term of ((two)) three years, and ((four)) three shall serve for a term of ((three)) four years. The Executive Director shall also ensure that staff have demonstrated commitment and expertise in working on behalf of women's issues.

(((h) Appropriations. The Board of Supervisors shall appropriate funds to compensate the members of the Commission for attendance at Commission meetings; and to pay for such other personnel, services and facilities as may be reasonably necessary to enable the Commission to exercise its powers and perform its duties under this ordinance.))

SEC. 33.4. POWERS AND DUTIES. The Commission shall have the power and the duty to:

(a) Prepare and disseminate educational and informational material relative to the role that tradition and prejudice and the deprivation of equal opportunities in areas such as education and employment have played in keeping women of all races, creeds, ages, marital status and sexual orientation from developing their full individual potentials and from contributing fully to the cultural and economic life of the community.

(b) Hold public hearings on matters relevant to the general scope of the Commission, and to subpoena records and witnesses in connection with such hearings.

(c) Review national, state and local legislation which may have an impact on the status of women and

recommend to the Mayor and the Board of Supervisors positions on significant legislation affecting the status of women.

(d) Develop and maintain a Talent Bank of Women which can be used in a variety of ways, including but not limited to assisting the Civil Service Commission in recruiting qualified women to serve as members of qualifications appraisal boards, and the Commission on the Status of Women in nominating qualified women for appointment by the Mayor to vacancies on boards and commissions of the City and County.

(e) Cooperate with and make recommendations to the Civil Service Commission in the development and implementation of programs and practices which have the purpose of furthering the objectives of this ordinance, including but not limited to recommendations regarding terminology used in job announcements, recruitment techniques, job qualifications, salary schedules, training and promotional practices.

(g) Study job categories which traditionally are filled primarily by women or primarily by men to determine whether the rate of compensation in the traditionally female jobs compares reasonably and favorably with the rate of compensation in the traditionally male jobs, taking into consideration the training, experience, mental and physical effort and responsibility required and the working

conditions involved, and take necessary steps to implement equity.

(h) Study and make recommendations regarding the special employment problems of women stemming from the assignment to them of traditional roles such as responsibility for child rearing, including but not limited to the need for child care centers, on-the-job training and retraining for those who have been out of the employment market for extended periods and part-time employment opportunities.

(i) Cooperate and make recommendations to law enforcement agencies and officials concerning the treatment of women in the City and County's correctional system, the enforcement of laws which have a particular impact on women, including but not limited to laws relating to domestic violence, rape and prostitution.

(j) Cooperate with and make recommendations to the Community College District and to the San Francisco Unified School District on the development and implementation of programs and practices which have the purpose of furthering the objectives of this ordinance, including but not limited to recommendations concerning in-service training, sex-role stereotyping in textbooks and courses and methods of providing role models for female students who may be interested in areas of employment not traditionally filled by women.

(k) Provide information, guidance and technical assistance to other public agencies and private persons, organizations and institutions engaged in activities and programs intended to eliminate prejudice and discrimination

against women because of their status as women, and to serve as liaison between the public and private sectors on matters affecting women in the community.

(n) Investigate and mediate, at the request of a party and within the limitations of staff time and resources, all incidents of discrimination against women because of their status as women which are not within the exclusive jurisdiction of some federal or state agency or the Human Rights Commission, and make specific recommendations to the involved parties as to the methods for eliminating discrimination against women.

(o) Prepare, encourage and coordinate programs of voluntary action to reduce or eliminate existing

inequalities and disadvantages in both the public and private sector resulting from prejudice, tradition and past discrimination.

(p) Oversee and administer funds allocated to the Commission for domestic violence programs.

(q) Review the programs and budget of any other City and County department or agency where there are reasonable grounds for believing that department or agency is not complying with this Article or is otherwise not protecting the rights of women fully; and, if necessary, to request the Controller to perform a management or budget audit with respect to those deficiencies.

(r) Monitor the reports of complaints of gender-based discrimination (including sexual harassment) received and forwarded by the Civil Service Commission pursuant to Administrative Code Section 33.10, and consult with and make recommendations to the Civil Service Commission concerning the handling of such complaints.

(a) The Mayor, Chief Administrative Officer and each commission, board, department and agency of the City and County shall fully cooperate with the Commission in fulfilling the provisions and purposes of this Article and shall regularly consult with the Commission on matters relating to women.

/ / /

(b) The Civil Service Commission shall promptly report to the Commission concerning each complaint it receives of gender-based discrimination, including but not limited to sexual harassment. The Civil Service Commission's reports to the Commission on the Status of Women shall not contain information identifying the parties involved in the events giving rise to the complaint, but shall include all other relevant details. The Civil Service Commission shall consult with the Commission concerning the manner in which such complaints are handled. The Civil Service Commission shall also send the Commission any and all reports the Civil Service Commission makes to the Board of Supervisors and/or the Mayor concerning gender-based discrimination (including sexual harassment).

Section 5. Section 12A.4 of the San Francisco Administrative Code is hereby amended to delete the last two sentences of Section 12A.4(b) as indicated below:

SEC. 12A.4 Establishment; Appointment; Terms; Executive Secretary.

(a) There is hereby established a commission to be known as the Human Rights Commission of the City and County of San Francisco (hereinafter called "Commission"), consisting of fifteen (15) members broadly representative of the general public and the employer, labor, religious, racial, age, sex, sexual orientation, disabled and ethnic groups in the City and County, to be appointed by the Mayor. Four (4) of the members who are first appointed shall be designated to serve for terms of one (1) year,

four (4) for two (2) years, four (4) for three (3) years and three (3) for four (4) years from the date of their appointments. Thereafter, members shall be appointed as aforesaid for a term of office of four (4) years, except that all of the vacancies occurring during a term shall be filled for the unexpired term. A member shall hold office until his successor has been appointed and has qualified. The Commission shall elect a chairman from among its members. The term of office as chairman of the Commission shall be for the calendar year or for that portion thereof remaining after each such chairman is designated or elected. The compensation of members of said Commission shall be twenty-five dollars ($25) for each meeting of the Commission actually attended by said members; provided, however, that no member shall be paid for attending more than four (4) Commission meetings in any one (1) calendar month.

(b) The position of Executive Secretary to the Commission shall be established pursuant to and subject to Sections 3.500 and 8.200 of the Charter of the City and County of San Francisco. The person occupying such position shall be appointed by the Chairman of the Commission with the approval of a majority of the members of the Commission. The position of Executive Secretary to the Commission shall be exempted from the residency and electoral requirements of Section 16.98 of the San Francisco Administrative Code. All staff personnel shall be under the immediate direction and supervision of the Executive Secretary. ((In addition to the duties enumerated above, the Executive Secretary shall coordinate

and provide staff and personnel services for the Commission on the Status of Women. In order to provide such services, the Executive Secretary must be in receipt of a written request from the Commission on the Status of Women and said request must be approved by the Commission.))

Section 6. The San Francisco Administrative Code is hereby amended by amending Section 16.9-25 thereto, to read as follows:

Section 16.9-25. Prohibiting Sexual Harassment of City Employees; Establishing a Complaint Procedure; Providing For Remedies For Persons Who Have Been Found to be Victims of Sexual Harassment Including the Setting Aside of Disciplinary Action Against These Persons; Requiring the Imposition of Disciplinary Action Against Persons Violating This Section; Requiring Distribution of the Policy; Interpretation.

(a) Sexual harassment of a City employee or applicant for employment by a City official or employee is prohibited.

(b) Behavior which constitutes sexual harassment by City officials and employees includes, but is not limited to:

(1) verbal harassment, e.g., epithets, derogatory comments or slurs;

(2) physical harassment, e.g., assault, impeding or blocking movement, gestures, or any physical interference with normal work or movement;

(3) visual forms of harassment, e.g., derogatory posters, letters, poems, graffiti, cartoons or drawings; or

/ / /

(4) requests for sexual favors or unwanted sexual advances; when the foregoing behavior unreasonably interferes with work performance, creates an intimidating, hostile or offensive working environment, influences or affects the career, salary, working conditions, job, or other aspects of career development of an employee or prospective employees, or is an explicit or implicit term or condition of employment.

(c) For the purpose of this section, the following behavior by City officials and supervisory employees also constitutes sexual harassment:

(1) failing to take corrective action when the officials or supervisory employees know, or reasonably should know, that an employee in the line of supervision of the officials or supervisory employees is being subjected to prohibited sexual harassment on the job by anyone; or

(2) retaliation against an employee or applicant for employment who complained of sexual harassment, or who testified on behalf of one who made a complaint, or who assisted or participated in any manner on behalf of a complainant in an investigation, proceeding or hearing conducted under this section.

(d) A supervisory employee receiving a complaint of sexual harassment shall inform the Department head of such complaint within three working days. Upon receipt of such information, the Department head shall inform, in writing, the Equal Employment Opportunity unit of Civil Service within five working days. Within five working days after

receiving notice of a complaint, the Civil Service Commission shall report that complaint to the Commission on the Status of Women. The Civil Service Commission's reports to the Commission on the Status of Women shall not contain information identifying the parties involved in the events giving rise to the complaint, but shall include all other relevant details. The Civil Service Commission shall report the outcome of each complaint to the Commission on the Status of Women promptly after the complaint is resolved. The Civil Service Commission shall annually report to the Board of Supervisors, ((and)) the Mayor, the Human Rights Commission and the Commission on the Status of Women the number of claims filed, the number of claims pending, the departments in which claims have been filed and such other information the Commission determines necessary regarding problems in enforcement under this section.

(e) The discrimination complaint procedure established by the Civil Service Commission pursuant to Section 3.661(c) of the Charter shall be used to review and resolve allegations of sexual harassment. The determination reached under the Civil Service Commission procedures shall be final and shall forthwith be enforced by every employee and appointing officer.

(f) During any hearing on a complaint of sexual harassment, evidence of the sexual conduct of the complainant offered to attack the credibility of the complainant shall be permitted only as provided in the Civil Service Commission Hearing Procedures and with the express approval of the Civil Service Hearing Panel.

(g) Upon a finding that a City official or employee has engaged in prohibited sexual harassment as defined herein against a City employee or applicant for employment, the City official or employee shall receive disciplinary action up to and including demotion or dismissal in accordance with the applicable provisions in the Charter. A statement of those findings, of the disciplinary action taken, and of any final determination of subsequent acts of sexual harassment shall be made a part of the employee's personnel file and shall be included in the employee's performance evaluation.

(h) Whenever a final determination is made that an action taken against a city employee, such as but not limited to, a reassignment, transfer, termination, disciplinary action or demotion, constitutes sexual harassment, the responsible appointing officer in the subject department shall set aside that action and provide a make whole remedy to the complainant including but not limited to reinstatement of all benefits, seniority and back pay. After a final determination is made that sexual harassment did occur, the appointing officer in the subject department shall provide written notification of compliance with the requirements of this section to the General Manager, Personnel.

(i) Prevention is the best tool for the elimination of sexual harassment. All City and County commissions, departments, boards and agencies shall provide to each of their supervisory employees a copy of this ordinance with a written explanation of the Civil Service procedure for filing a complaint for violation thereof. Each appointing

officer shall require his or her supervisory personnel to instruct all employees under their supervision of the contents of this ordinance and of the Civil Service procedures for filing a complaint for violation thereof, and shall adopt a specific departmental policy delineating that sexual harassment will not be tolerated and shall provide to or acquire for its supervisory personnel a training program designed to educate and thereby prevent sexual harassment.

(j) This policy shall be construed in a manner consistent with the right of free speech, association and privacy.

(k) The offices of the Human Rights Commission and the Commission on the Status of Women shall be available to provide assistance upon request to any employee, applicant for employment, or city department wherever appropriate.

(l) Nothing in this section is intended to limit the power of a Department Head to discipline a department employee found guilty or responsible for sexual harassment or retaliation.

Residential Rent Stabilization and Arbitration Fee]

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY ADDING CHAPTER 37A THERETO CREATING A RESIDENTIAL RENT STABILIZATION AND ARBITRATION FEE, BY AMENDING CHAPTER 10 BY ADDING SECTION 10.117-88 THERETO ESTABLISHING A RESIDENTIAL RENT STABILIZATION AND ARBITRATION FUND, BY AMENDING SECTIONS 37.7 AND 37.8 TO ELIMINATE CERTAIN FILING FEES, AND BY AMENDING SECTION 49.2 TO PERMIT RECOVERY OF THE FEE FROM INTEREST ON TENANT SECURITY DEPOSITS UNDER CERTAIN CIRCUMSTANCES; SETTING TERMINATION DATE.

/24/89
jcl

Note: Chapter 37A, and Section 10.117-88 are not underlined because they are new. With respect to all other amendments, additions are underlined and deletions are indicated by ((double parentheses)).

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by adding Chapter 37A thereto reading as follows:

CHAPTER 37A

RESIDENTIAL RENT STABILIZATION AND ARBITRATION FEE

Sec. 37A.1. Scope. This chapter is applicable to all residential units in the City and County of San Francisco. For purposes of this chapter, "residential units" are dwelling units and guest rooms as those terms are defined in Sections 203.4 and 203.7 of the San Francisco Housing Code. The term shall not include:

(a) guest rooms exempted or excluded from regulation under Chapter 41 of this code;

(b) dwelling units in non-profit cooperatives owned, occupied and controlled by a majority of the residents;

/ / /

/ / /

(c) housing accommodations in any hospital, convent, monastery, extended care facility, asylum, non-profit home for the aged, or in dormitories owned and operated by an institution of higher education, a high school, or an elementary school;

(d) dwelling units whose rents are controlled or regulated by any government unit, agency or authority, excepting those units which are subject to the jurisdiction of the Residential Rent Stabilization and Arbitration Board;

(e) any dwelling unit for which the owner has on file with the Assessor a current homeowner's exemption;

(f) owner-occupied buildings containing four (4) dwelling units or less wherein the owner has on file with the Assessor a current homeowner's exemption;

(g) dwelling units located in a structure for which a certificate of final completion and occupancy was first issued by the Bureau of Building Inspection after June 13, 1979;

(h) dwelling units in a building which, after June 13, 1979, has undergone substantial rehabilitation as that term is defined in Chapter 37 of this code.

Sec. 37A.2. Findings. The Board of Supervisors hereby finds:

(a) In Section 37.1 of this code, the Board of Supervisors found that there was a shortage of decent, safe and sanitary housing in the City and County of San Francisco resulting in a critically low vacancy factor. The Board further found that rent regulation was necessary in order to alleviate the ill effects of the City's housing shortage, to meet the need for affordable housing, and to advance the City's housing policies. The Board now hereby finds that this housing shortage still persists and that rent regulation

DOCUMENTS DEPT.

continues to be a necessary and effective means of mitigating this condition.

(b) By Ordinance No. 276-79, adopted on June 12, 1979, the Board of Supervisors enacted the Residential Rent Stabilization and Arbitration Ordinance ("Rent Ordinance," Chapter 37, San Francisco Administrative Code) to regulate residential rents in San Francisco. The Ordinance created the Residential Rent Stabilization and Arbitration Board ("Rent Board," Sections 37.1(a)(b) and 37.4) to administer and enforce the Rent Ordinance and thereby safeguard tenants from excessive increases while at the same time assure landlords fair and adequate rents. The Rent Board benefits both landlords and tenants by providing for the orderly and efficient administration of the Rent Ordinance and by protecting tenants from unreasonable rent increases and displacement while assuring that landlords receive fair rents consistent with the Ordinance.

(c) It is fair and reasonable that the costs of administering and enforcing the Rent Ordinance through the Rent Board should be equitably distributed among the City's residential units. Therefore, the Board finds that the owner of each residential unit as defined in Section 37A.1 above shall be required to pay an annual Rent Stabilization and Arbitration fee for each unit.

(d) The fee for each residential unit shall equal the projected annual cost of funding the Rent Board plus related administrative costs pursuant to Section 10.194 of this code including, but not limited to, the Tax Collector and Controller divided by the total number of residential units estimated to pay the fee, minus any balance remaining in the fund set forth in Section 10.117-88 of this code; provided, however, that in calculating the fee, the Controller shall round up any fraction of a dollar to the next whole dollar; provided further, however, that the

fee shall in no event exceed (($10.00)) $8.00 per residential unit. For purposes of this calculation, a guest room shall be counted as one-half (1/2) of a residential unit and shall be charged half the fee. The Assessor and the Superintendent of the Bureau of Building Inspection shall release to the Information Services Division (IDS) of the Controller's Office by June 1 information necessary for compilation of the billing list. The Controller shall compile the list, determine the total number of residential units and calculate the fee by July 31. The fee shall be recalculated on July 31 of each year.

(e) The fee herein is for regulatory purposes only. It is not designed or intended for revenue purposes. Any surplus collected in a given year will reduce the fee in the next fiscal year.

Sec. 37A.3. Purpose. The purpose of this ordinance is to require those who rely upon and/or benefit from the Rent Board's administration and enforcement of the Rent Ordinance to pay a fee which is directly related to the financial burden placed upon the City in carrying out the Rent Board's functions and duties.

Sec. 37A.4. Imposition of the Fee. The owner of each residential unit in San Francisco shall pay annually to the City and County of San Francisco a Residential Rent Stabilization and Arbitration fee to be calculated by the Controller as provided in Section 37A.2(d) above. The Tax Collector shall bill the fee to the owners of all residential units. The fee is due and payable on October 1.

/ / /

/ / /

Sec. 37A.5. Residential Rent Stabilization and Arbitration Fund. All fees collected under this chapter shall be deposited in the Residential Rent Stabilization and Arbitration Fund as provided in Chapter 10.117-88 of the San Francisco Administrative Code. All funds so collected shall be used solely for the purpose of funding the Rent Board plus related administrative costs pursuant to Section 10.194 of this code including, but not limited to, the Tax Collector and Controller.

Sec. 37A.6. Recovery of the Fee. The owner may seek recovery of the fee from the tenant of each residential unit who is in occupancy on November 1. In order to be entitled to recovery, the owner must submit a copy of the Tax Collector's bill to the tenant with a written request for payment within sixty (60) days of the date of the request. Upon such request, the tenant has a duty to remit the fee payment to the owner. If the tenant fails to remit the requested sum within sixty (60) days, the owner may deduct the fee from the next interest payment owed on the tenant's security deposit pursuant to Chapter 49 of the San Francisco Administrative Code. The owner remains liable for payment of the fee to the Tax Collector whether or not the owner seeks recovery or in fact does recover from the tenant.

Sec. 37A.7. Rules and Regulations. The Tax Collector may adopt such rules, regulations and administrative procedures as he deems necessary to implement this chapter.

Sec. 37A.8. Nonpayment; Additional Request. If the full payment required in Sec. 37A.4 above is not received within ninety (90) days of the date of the bill, an additional request for payment

shall be sent to the owner. The written request shall advise the recipient that if the payment is not received within thirty (30) days of the mailing of this notice, the Board of Supervisors, in a noticed public hearing, will add a 25% penalty to the fee, an interest charge of 1.5% monthly after the account has been delinquent for sixty (60) days, and a charge for the Tax Collector of $49, and that a lien for the entire unpaid balance, including penalty on the payment with interest accruing on the entire unpaid balance, will be recorded against the owner's real property. The charge for the Tax Collector consists of forty dollars ($40) for processing a delinquent fee plus nine dollars ($9) for releasing the tax lien in accordance with Section 10.237 of this code.

Sec. 37A.9. Lien Proceedings; Notice. If payment is not received within thirty (30) days following mailing of the additional request, the Tax Collector shall initiate proceedings pursuant to the provisions of Article XX, Chapter 10, San Francisco Administrative Code by reporting the delinquency to the Board of Supervisors and requesting the Board to make the entire unpaid balance, including penalty and interest, a special assessment lien against the real property. Such charges against delinquent accounts shall be reported to the Board at least once each year. The Tax Collector shall also indicate which of such delinquent accounts should be exempted from the lien procedure because of the small amounts involved, or because another procedure is more appropriate.

Sec. 37A.10. Manner of Giving Notice. Any notice required to be given herein by the Tax Collector to an owner shall be sufficiently given or served upon the owner for all purposes if personally served upon the owner or if deposited, postage prepaid,

in a post office letter box addressed in the name of the owner at the official address of the owner maintained by the Tax Collector for the mailing of property tax bills.

Sec. 37A.11. Severability. The provisions of this chapter shall not apply to any person, association, corporation or to any property as to whom or which it is beyond the power of the City and County of San Francisco to impose the fee herein provided. If any sentence, clause, section or part of this ordinance, or any fee imposed upon any person or entity is found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality, or invalidity shall affect only such clause, sentence, section or part of this ordinance, or person or entity, and shall not affect or impair any of the remaining provisions, sentences, clauses, sections or other parts of this ordinance, or its effect on other persons or entities. It is hereby declared to be the intention of the Board of Supervisors that this ordinance would have been adopted had such unconstitutional, illegal or invalid sentence, clause, section or part of this ordinance not been included herein, or had such person or entity been expressly exempted from the application of this ordinance. To this end the provisions of this chapter are severable.

Sec. 37.A.12. Termination. This chapter shall terminate ((twelve (12) months from its effective date.)) on June 30, 1990.

Section 2. Chapter 10 of the San Francisco Administrative Code is hereby amended by adding Section 10.117-88 thereto reading as follows:

Sec. 10.117-88. Residential Rent Stabilization and Arbitration Fund.

(a) Establishment of Fund. There is hereby established a special fund to be known as the Residential Rent Stabilization and Arbitration Fund. Into this fund shall be deposited all monies payable to the Tax Collector pursuant to Chapter 37A of the San Francisco Administrative Code for the purpose of financing the Residential Rent Stabilization and Arbitration Board and related administrative costs pursuant ot Section 10.194 of this code including, but not limited to, the Tax Collector and Controller. Into this fund shall also be deposited all fees for hiring estimators as provided in Section 37.7(e) of this code.

(b) Appropriation of Monies. Subject to the budget and fiscal provisions of the Charter, the monies in this fund may only be expended for the funding of the Residential Rent Stabilization and Arbitration Board and for attendant administrative costs pursuant to Section 10.194 of this code including, but not limited to, the Tax Collector and Controller; provided, however, that the Controller shall have the authority to increase the appropriation based upon revenues deposited into this fund for the purpose of paying estimators as provided in Sections 37.7(d) and (e) of this code.

(c) Accumulation of Monies in Fund. The balance remaining in the fund at the close of any fiscal year shall be deemed to have been provided for a specific purpose within the meaning of Charter Section 6.306 and shall be carried forward and accumulated in said fund for the purpose recited herein.

Section 3. The San Francisco Administrative Code is hereby amended by amending Section 37.7 to read as follows:

Section 37.7 Certification of Rental Increases for Capital Improvements, Rehabilitation and Energy Conservation Measures.

(a) Authority. In accordance with such guidelines as the Board shall establish, the Board and designated hearing officers shall have the authority to conduct hearings in order to certify rental increases to the extent necessary to amortize the cost of capital improvements, rehabilitation, and energy conservation measures. Costs determined to be attributable to such work shall be amortized over a period which is fair and reasonable for the type and the extent of the work and which will provide an incentive to landlords to maintain, improve and renovate their properties while at the same time protecting tenants from excessive rent increases. Costs attributable to routine repair and maintenance shall not be certified.

(b) Requirements for Certification. The Board and designated hearing officers may only certify the costs of capital improvements, rehabilitation, and energy conservation measures where the following criteria are met:

(1) The landlord completed capital improvements or rehabilitation on or after April 15, 1979, or the landlord completed installation of energy conservation measures on or after July 24, 1982 and has filed a proof of compliance with the Bureau of Building Inspection in accordance with the requirements of Section 1207(d) of the Housing Code;

(2) The landlord has not yet increased the rent or rents to reflect the cost of said work;

(3) The landlord has not been compensated for the work by insurance proceeds;

(4) The building is not subject to a RAP loan in a RAP area designated prior to July 1, 1977.

(c) Amortization and Cost Allocation. The Board shall establish amortization periods and cost allocation formulas. Costs shall be allocated to each unit according to the benefit of the work attributable to such unit.

(d) Estimator. The Board or its Executive Secretary may hire an estimator where an expert appraisal is required.

(e) Filing Fee. The Board shall establish a filing fee based upon the cost of the capital improvement, rehabilitation, or energy conservation measures being reviewed. Such fees will pay for the costs of an estimator. ((and the administrative overhead of the Board in connection therewith.)) These fees shall be deposited in the Residential Rent Stabilization and Arbitration Fund pursuant to Section 10.117-88 of this code.

(f) Application Procedure.

(1) Filing. Landlords who seek to pass through the costs of capital improvements, rehabilitation, or energy conservation measures must file an application on a form prescribed by the Board. The application shall be accompanied by such supporting materials as the Board shall prescribe. All applications must be submitted with the filing fee established by the Board.

(2) Filing Date. Applications must be filed prior to the mailing or delivery of legal notice of a rent increase to the tenants of units for which the landlord seeks certification.

(3) Effect of Filing Application. Upon the filing of the application, the requested increases will be inoperative until such time as the hearing officer makes findings of fact at the conclusion of the certification hearing.

(4) Notice to Parties. The Board shall calendar the application for hearing before a designated hearing officer and shall give written notice of the date to the parties at least 10 days prior to the hearing.

(g) Certification Hearings.

(1) Time of Hearing. The hearing shall be held within 45 days of the filing of the application.

(2) Consolidation. To the greatest extent possible, certification hearings with respect to a given building shall be consolidated. Where a landlord and/or tenant has filed a petition for hearing based upon the grounds and under the procedure set forth in Section 37.8, the Board may, in its discretion, consolidate certification hearings with hearings on Section 37.8 petitions.

(3) Conduct of Hearing. The hearing shall be conducted by a hearing officer designated by the Board. Both parties may offer such documents, testimony, written declarations or other evidence as may be pertinent to the proceedings. Burden of proof is on the landlord. A record of the proceedings must be maintained for purposes of appeal.

(4) Determination of the Hearing Officer. In accordance with the Board's amortization schedules and cost allocation formulas, the hearing officer shall make findings as to whether or not the proposed rent increases are justified based upon the following considerations:

(A) The application and its supporting documentation;

(B) Evidence presented at the hearing establishing both the extent and the cost of the work performed;

(C) Estimator's report, where such report has been prepared; and

(D) Any other such relevant factors as the Board shall specify in Rules and Regulations.

(5) Findings of Fact. The hearing officer shall make written findings of fact, copies of which shall be mailed within 30 days of the hearing.

(6) Payment or Refund of Rents to Implement Certification Decision. If the hearing officer finds that all or any portion of the heretofore inoperative rent increase is justified, the tenant shall be ordered to pay the landlord that amount. If the tenant has paid an amount to the landlord which the hearing officer finds unjustified, the hearing officer shall order the landlord to reimburse the tenant said amount.

(7) Finality of Hearing Officer's Decision. The decision of the hearing officer shall be final unless the Board vacates his or her decision on appeal.

(8) Appeals. Either party may file an appeal of the hearing officer's decision with the Board. Such appeals are governed by Section 37.8(f) below.

Section 4. The San Francisco Administrative Code is hereby amended by amending Section 37.8 to read as follows:

Sec. 37.8. Arbitration of Rental Increase Adjustments.

(a) Authority of Board and Hearing Officers. In accordance with such guidelines as the Board shall establish, the Board and designated hearing officers shall have the authority to arbitrate rental increase adjustments and to administer the rent increase protest procedures with respect to RAP rental units as set forth in Chapter 32 of the San Francisco Administrative Code.

/ / /

(b) Request for Arbitration.

(1) Landlords. Landlords who seek to impose rent increases which exceed the limitations set forth in Section 37.3(a) above must request an arbitration hearing as set forth in this section. The burden of proof is on the landlord.

(2) Tenants.

(A) Notwithstanding Section 37.3, tenants of non-RAP rental units and tenants of RAP rental units in areas designated on or after July 1, 1977 may request arbitration hearings where a landlord has substantially decreased services without a corresponding reduction in rent and/or has failed to perform ordinary repair and maintenance under state or local law and/or has failed to provide the tenant with a clear explanation of the charges for gas and electricity passed through to the tenant. The burden of proof is on the tenant.

(B) Tenants of RAP rental units in areas designated prior to July 1, 1977 may petition for a hearing where the landlord has noticed an increase which exceeds the limitations set forth in Section 32.73 of the San Francisco Administrative Code. After a vacancy has occurred in a RAP rental unit in said areas, a new tenant of said unit may petition for a hearing where the landlord has demanded and/or received a rent for that unit which exceeds the rent increase limitation set forth in Section 32.73 of the San Francisco Administrative Code. The burden of proof is on the landlord.

(c) Procedure for Landlord Petitioners.

(1) Filing. The request for arbitration must be filed on a petition form prescribed by the Board and shall be accompanied

by such supporting material as the Board shall prescribe, including but not limited to, justification for the proposed rental increase. ((All applications must be accompanied by a filing fee of twenty dollars ($20) per rental unit, provided that landlord in any consolidated case shall pay a fee not to exceed $400 in any single case, said fees to be reviewed by the Board and the cost analysis of the first six (6) months be prepared and submitted to the Board of Supervisors not later than seven (7) months after the effective date of said amendment.))

(2) Filing Date. The petition must be filed prior to the mailing or delivering to the tenant or tenants legal notice of the rental increase exceeding the limitations as defined in Section 37.3.

(3) Effect of Timely Filing of Petition. Provided a completed petition is timely filed, that portion of the requested rental increase which exceeds the limitations set forth in Section 37.3 and has not been certified as a justifiable increase in accordance with Section 37.7 is inoperative until such time as the hearing officer makes findings of fact at the conclusion of the arbitration hearing.

(4) Notice to Parties. The Board shall calendar the petition for hearing before a designated hearing officer and shall give written notice of the date to the parties at least ten (10) days prior to the hearing.

(d) Procedure for Tenant Petitioners.

(1) Filing. The request for arbitration must be filed on a petition form prescribed by the Board and must be accompanied by such supporting material as the Board shall prescribe, including but not limited to, a copy of the landlord's notice

of rent increase. If the tenant petitioner has received certification findings regarding his rental unit in accordance with 37.7, such findings must accompany the petition. If the tenant petitioner has received a notification from the Chief Administrative Officer with respect to base rent and amortization of a RAP loan, such notification must accompany the petition. ((All applications must be accompanied by a filing fee of fifteen dollars ($15); provided, however, the fee shall be waived for an individual who files an affidavit under penalty of perjury stating that he or she is an indigent person who does not have and cannot obtain the money to pay the filing fee without using money needed for the necessities of life. A tenant may deduct the fifteen dollar ($15) filing fee from the rent where the tenant prevails at the hearing.))

(2) Notice to Parties. The Board shall calendar the petition for hearing before a designated hearing officer and shall give written notice of the date to the parties at least ten (10) days prior to the hearing. Responses to a petition for hearing may be submitted in writing.

(e) Hearings.

(1) Time of Hearing. The hearing must be held within forty-five (45) days of the filing of the petition. The level of housing services provided to tenants' rental units shall not be decreased during the period between the filing of the petition and the conclusion of the hearing.

(2) Consolidation. To the greatest extent possible, hearings with respect to a given building shall be consolidated.

(3) Conduct of Hearing. The hearing shall be conducted by a hearing officer designated by the Board. Both parties may

offer such documents, testimony, written declarations or other evidence as may be pertinent to the proceedings. A record of the proceedings must be maintained for purposes of appeal.

(4) Determination of the Hearing Officer: Rental Units. Based upon the evidence presented at the hearing and upon such relevant factors as the Board shall determine, the hearing officer shall make findings as to whether or not the landlord's proposed rental increase exceeding the limitations set forth in Section 37.3 is justified or whether or not the landlord has effected a rent increase through a reduction in services or has failed to perform ordinary repair and maintenance as required by state or local law. In making such findings, the hearing officer shall take into consideration the following factors:

(A) Increases or decreases in operating and maintenance expenses, including, but not limited to, real estate taxes, sewer service charges, janitorial service, refuse removal, elevator service, security system, and debt service; provided however, when a unit is purchased after the effective date of this ordinance, and this purchase occurs within two (2) years of the date of the previous purchase, consideration shall not be given to that portion of increased debt service which has resulted from a selling price which exceeds the seller's purchase price by more than the percentage increase in the "Consumer Price Index for All Urban Consumers for the San Francisco-Oakland Metropolitan Area, U.S. Department of Labor" between the date of previous purchase and the date of the current sale, plus the cost of capital improvements or rehabilitation work made or performed by the seller.

(B) The past history of increases in the rent for the unit and the comparison of the rent for the unit with rents for comparable units in the same general area.

(C) Any findings which have been made pursuant to Section 37.7 with respect to the unit.

(D) Failure to perform ordinary repair, replacement and maintenance in compliance with applicable state and local law.

(E) Any other such relevant factors as the Board shall specify in rules and regulations.

(5) Determination of the Hearing Officer; RAP Rental Units.

(A) Rap Rental units in RAP areas designated prior to July 1, 1977. The hearing officer shall make findings as to whether or not the noticed or proposed rental increase exceeds the rent increase limitations set forth in Section 32.73 of the San Francisco Administrative Code. In making such findings, the hearing officer shall apply the rent increase limitations set forth in Chapter 32 of the San Francisco Administrative Code and all rules and regulations promulgated pursuant thereto. The hearing officer shall consider the evidence presented at the hearing. The burden of proof shall be on the landlord.

(B) Rap rental units in RAP areas designated on or after July 1, 1977. The hearing officer shall make findings with respect to rent increases exceeding the limitations as set forth in Section 37.3 of this chapter. In making such findings, the hearing officer shall take into consideration the factors set forth in subsection (4) above and shall consider evidence presented at the hearing. The burden of proof is on the landlord.

(6) Findings of Fact. The hearing officer shall make written findings of fact, copies of which shall be mailed to the parties within 30 days of the hearing.

(7) Payment or Refund of Rents to Implement Arbitration Decision. If the hearing officer finds that all or any portion of the heretofore inoperative rent increase is justified, the tenant petitioner shall be ordered to pay all or a portion of that cumulative amount to the landlord within five (5) days of the mailing of the findings of fact or said amount may be ordered added to future rents, or that all or any portion of a heretofore operative rent increase is not justified, the landlord shall be ordered to pay that cumulative amount to the tenant petitioner within five days of the mailing of the findings of fact or said amount may be ordered offset against future rents.

(8) Finality of Hearing Officer's Decision. The decision of the hearing officer shall be final unless the Board vacates his decision on appeal.

(f) Appeals.

(1) Time and Manner. An appeal to the Board from the determination of the hearing officer may be made within fifteen (15) days of the mailing of the findings of fact. ((Each tenant appeal shall be accompanied by a fifteen dollar ($15) filing fee; provided, however, the fee shall be waived for an individual who files an affidavit under penalty of perjury stating that he or she is an indigent person who does not have and cannot obtain the money to pay the filing fee without using money needed for the necessities of life. Each landlord appeal shall be accompanied by a fifteen dollar ($15) per unit filing fee.)) The appeal shall be in writing and

must state why appellant believes there was either error or abuse of discretion on the part of the hearing officer. The filing of an appeal will not stay the effect of the hearing officer's decision.

(2) Record on Appeal. Upon receipt of an appeal, the entire administrative record of the matter, including the appeal, shall be filed with the Board.

(3) Appeals. The Board shall, in its discretion, hear appeals. In deciding whether or not to hear a given appeal, the Board shall consider, among other factors, fairness to the parties, hardship to either party, and promoting the policies and purposes of this chapter, in addition to any written comments submitted by the hearing officer whose decision is being challenged. The Board may also review other material from the administrative record of the matter as it deems necessary. A vote of three (3) members shall be required in order for an appeal to be heard.

(4) Remand to Hearing Officer without Appeal Hearing. In those cases where the Board is able to determine on the basis of the documents before it that the hearing officer has erred, the Board may remand the case for further hearing in +ccordance with its instructions without conducting an appeal hearing. Both parties shall be notified as to the time of the re-hearing, which shall be conducted within thirty (30) days of remanding by the Board. In those cases where the Board is able to determine on the basis of the documents before it that the hearing officer's findings contain numerical or clerical inaccuracies, or require clarification, the Board may continue the hearing for purposes of re-referring the case to said hearing officer in order to correct the findings.

(5) Time of Appeal Hearing; Notice to Parties. Appeals accepted by the Board shall be heard within forty-five (45) days of the filing of an appeal. Within thirty (30) days of the filing of an appeal, both parties shall be notified in writing as to whether or not the appeal has been accepted. If the appeal has been accepted, the notice shall state the time of the hearing and the nature of the hearing. Such notice must be mailed at least ten (10) days prior to the hearing.

(6) Appeal Hearing; Decision of the Board. At the appeal hearing, both appellant and respondent shall have an opportunity to present oral testimony and written documents in support of their positions. After such hearing and after any further investigation which the Board may deem necessary, the Board may, upon hearing the appeal, affirm, reverse or modify the hearing officer's decision or may remand the case for further hearing in accordance with its findings. The Board's decision must be rendered within forty-five (45) days of the hearing and the parties must be notified of such decision.

(7) Notification of the Parties. In accordance with item (6) above, parties shall receive written notice of the decision. The notice shall state that this decision is final.

Section 5. The San Francisco Administrative Code is hereby amended by amending Section 49.2 to read as follows:

Sec. 49.2. Payment of interest on security deposits.

(a) A landlord who is subject to the provisions of Section 1950.5 of the California Civil Code shall pay at least 5% simple interest per year on all security deposits held for at least one year for his/her tenants; provided, however, that this requirement

/ / /

shall not apply where the rent is assisted or subsidized by any government unit, agency or authority.

(b) Interest shall begin accruing on September 1, 1983, or on whatever date the security deposit is received by the landlord after September 1, 1983. Beginning on September 1, 1984, or on any date thereafter upon which the security deposit has been held by the landlord for one year, a tenant shall be given the unpaid accrued interest in the form of either a direct payment or a credit against the tenant's rent. The landlord shall choose between these two methods of payment.

(c) The landlord may elect to pay the accrued interest as provided in subsection (b) above on a monthly basis, but in no event less than once a year.

(d) Upon termination of tenancy, a tenant whose security deposit has been held for one year or more shall be entitled to a direct payment of any unpaid accrued interest no later than two weeks after the tenant has vacated the premises; provided, however, that a landlord may retain any portion of the unpaid accrued interest, subject to the limitations and requirements set forth in Section 1950.5(e) of the California Civil Code, where the security deposit alone is insufficient to remedy tenant default in the payment of rent, to repair damages to the premises caused by the tenant, exclusive of ordinary wear and tear, or to clean such premises, if necessary, upon termination of the tenancy.

(e) Nothing in this chapter shall preclude a landlord from exercising his or her discretion in investing security deposits.

(f) Notwithstanding the provisions of (a) through (d) above, where a tenant fails to reimburse a landlord for the annual Residential Rent Stabilization and Arbitration fee as provided in

/ / /

Sec. 37A.6 of this code, the landlord may deduct said fee from the next interest payment owed to the tenant pursuant to this chapter.

[Apartment House and Hotel License Fees]

AMENDING PART II, CHAPTER XII OF THE SAN FRANCISCO MUNICIPAL CODE (HOUSING CODE) BY AMENDING SECTIONS 307.A AND 307.B THEREOF TO EXTEND LIABILITY FOR PAYMENT OF APARTMENT HOUSE AND HOTEL LICENSE FEES TO OWNERS OF THE UNDERLYING REAL PROPERTY AND BY ADDING SECTION 307.C THERETO ESTABLISHING A LIEN PROCEDURE FOR DELINQUENT FEES.

Note: Section 307.C is not underlined because it is new. With respect to all other amendments, additions are underlined and deletions are indicated by ((double parentheses)).

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part II, Chapter XII of the San Francisco Municipal Code (Housing Code) is hereby amended by amending Section 307.A thereof to read as follows:

SEC. 307.A. APARTMENT HOUSE LICENSE FEES. Every individual or business operating an apartment house or owning the real property upon which an apartment house is situated shall pay an annual license fee. The license fee is due and payable to the Tax Collector on the first day of October of each year. When the license fee has been paid in full for the applicable year and a change of ownership occurs during that year, the new owner shall be liable for only an administrative fee to defray the cost of issuing a new permit.

The license fee will be used to defray the cost of inspection and regulation by the Bureau of Building Inspection. [Street Vacation]

ORDERING VACATION OF A PORTION OF BRANNAN STREET AT THE EMBARCADERO; AND ADOPTING FINDINGS PURSUANT TO CITY PLANNING CODE SECTION 101.1.

Be It Ordained by the People of the City and County of San Francisco:

Section 1. On June 19, 1989, the Board of Supervisors adopted Resolution No. 471-89, approved by the Mayor on June 22, 1989, being a Resolution of a Declaration of Intention to order the vacation of a portion of Brannan Street, as shown on Department of Public Works' Drawing SUR-2188, a copy of which is on file in the office of the Clerk of the Board of Supervisors.

Section 2. The Clerk of the Board of Supervisors did transmit to the Department of Public Works and the San Francisco Port Commission a certified copy of said Resolution, and said Department of Public Works did cause to be posted in the manner and as required by law, notice of the passage of said Resolution.

Section 3. When said matter was considered as scheduled by the Board of Supervisors at its regular meeting held in the City Hall, San Francisco, on July 24, 1989, beginning at 3:00 p.m., said Board heard all persons interested in said vacation.

Section 4. The public interest and convenience require the vacation to be done as declared in said Resolution No. 471-89.

Section 5. The San Francisco Port Commission shall have jurisdiction over the vacated street area subject, however, to the reservations, provisions and conditions set forth in the Declaration of Intention to order said vacation and herein.

Section 6. The San Francisco Port Commission shall ensure that the costs of relocation or installation of any facilities shall be at no charge to the City.

Section 7. The Department of City Planning reported on September 23, 1988 that said proposed vacation is in conformity with the Master Plan and that review for consistency with the Eight Priority Policies of Planning Code Section 101.1 is unnecessary since the subject proposal is part of the implementation of a Redevelopment Agency residential project.

Section 8. The San Francisco Board of Supervisors adopts as its own and incorporates by reference herein the findings made by the Department of City Planning, as stated in its letter dated September 23, 1988, that the proposed vacation of said portion of Brannan Street is in conformity with the Master Plan and that review for consistency with the Eight Priority Policies of Planning Code Section 101.1 is not required.

Section 9. Upon vacation of the subject street area, the jurisdiction which the Department of Public Works has over said street area will be extinguished.

Section 10. The Board of Supervisors has acquired jurisdiction to order said vacation subject to the reservations, provisions and conditions set forth in the Declaration of Intention to order said vacation and herein.

Section 11. The Director of Property is hereby authorized to accept quitclaim deeds from the abutting property owners quitclaiming their interests in said portion of Brannan Street proposed to be vacated.

Section 12. In the event the San Francisco Port Commission elects to lease said vacated street area, the lease documents shall contain language assuring continuance of the present rights of the public utility and City Departments presently having facilities in the street areas and shall ensure that, if any future adjustment or relocation of said facilities is required by lessees, the cost shall be borne by lessees.

Section 13. Said portion of Brannan Street, as shown on said Department of Public Works' Drawing SUR-2188, is hereby ordered vacated, subject to the reservations, provisions and conditions as set forth in the Declaration of Intention to order said vacation and herein.

Section 7. Holidays.

Members of the uniformed force of the Police Department shall be entitled to the days declared to be holidays for employees whose compensations are fixed in the schedules of compensation adopted by the Board of Supervisors pursuant to the provisions of Section 8.401 of the Charter as additional days off with pay. Members shall be compensated on the basis of time and one-half as computed pursuant to Charter Section 8.451 or shall be granted equivalent time off duty with pay at the rate of time and one-half as requested by the member. The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing officer. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday thru Friday work schedule.
